All in One POS Terminal
PT-6200

When small business needs POS···the answer is the PT-6200!!

Partner Tech is pleased to announce the new revolution of POS solutions in the fanless all-in-one PT-6200 terminal. The PT-6200 terminal is designed around the POS solution needs of small to medium businesses. The system is an affordable, easy to use, fully integrated terminal that immediately adds value to your company to help better manage your business. This compact powerhouse unit has a 10.4inch LCD touch screen, 80mm thermal receipt printer, rear facing customer display, and a 1,2,3 track MSR all integrated in a small footprint, aesthetically pleasing design. Matched with a Celeron M processor, 512MB memory and open architecture operating system, the PT-6200 is ready to handle any business environment you need.

Special Features:

- ➡ Fanless design
- ➡ 10.4" Touch screen
- ➡ Magnetic card reader- tracks 1,2,&3
- ➡ 80mm thermal printer
- ➡ Modular design for easy maintenance
- ➡ Base designed with easy cable management
- ➡ Open architecture
- ➡ Integrated customer display

All in One POS terminal PT-6200 Spec Sheet

80mm Thermal receipt printer

1,2 & 3 Track MSR reader

Integrated customer display

Technical data

LCD	10.4" TFT-LCD, resolution is 800 x 600
Touch	5-wire Resistive touch (PS/2 interface)
CPU	Intel Celeron-M Processor @ 600MHz, L2 Cache 512KB, FSB 400MHz, fanless design
Chipset	NB - Intel 82852GM SB - Intel 82801DB
Memory	184-pin DDR DIMM x 1 , 512MB RAM standard
BIOS	Award System BIOS, 4M bits flash ROM
Graphics	Intel® 852GM integrated dynamic video shared memory Integrated LVDS connector for LCD support Max. shared memory of 64MB
Ethernet	Integrated 10/100/1000 Ethernet controller
Audio	Realtek Two-channel AC'97 2.3 Audio Codec
HDD	Internal 3.5"type IDE HDD 80GB or above
I/O Interface	4 * COM ports (COM1 & 2 are powered with DC+5V or DC+12V BIOS selection for voltage control. COM3 is powered with DC+5V or DC+12V Jumper selection control. COM4 is powered with DC+5V 1 * RJ-11 port for cash drawer(+24V) 1 * PS2 Keyboard port, auto routing for MSR, no jumper 1 * RJ-45 LAN port with activity and link LEDs 4 * USB ports 1 * DC +12V power adaptor connector
Preipherals	Tracks 1,2&3 MSR reader (PS/2 interface) Integrated customer display module (serial interface) 80mm Thermal receipt printer with cutter + control board (serial interface)
Operating System	Windows XP, XP embedded, CE.Net, Linux(Fedora, Red Hat & SuSE), WEPOS
Power Supply	AC 100V~240V/DC12V/12.5A 150 watt power adaptor
Operating Temperature	0℃~40℃
Storage Temperature	-20℃~60℃
Operating & Storage Humidity	10%~80%
Color	Dark Charcoal
Certification	CE, FCC, UL, CUL, CB, VCCI, BSMI, 3C
Dimension	328mm (W) x 289.3mm (D) x 246.8mm (H)
Weight	8.5kg

RoHS
2002/95/EC

ISO 9001 REGISTERED
DNV
MGMT SYS
RVA C 073
